

FISCAL NOTE

HB 2456 – SB 2693

January 15, 2008

SUMMARY OF BILL: Authorizes Wayne County to levy a privilege tax on litigation which may be used for equipment and personnel costs of the county sheriff's department.

ESTIMATED FISCAL IMPACT:

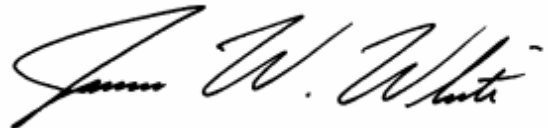

Increase Local Gov't. Revenue - \$19,100/Permissive

Assumptions:

- According to the Wayne County Mayor, the county estimates an increase in revenue of \$25,500 per year, based on an approximation of 85 cases per month (85 cases per month x 12 months = 1020 cases per year. 1020 cases per year x \$25 litigation fee = \$25,500 per year).
- An estimated 25% of these cases will be indigent and thus unable to pay the litigation fee. Thus the local government revenue is anticipated to be \$19,100.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
